MOLONGLO ABOUT PEOPLE / NATURE

THE Molonglo Catchment Art Competition/Exhibition has a new theme this year '*The Molonglo People and Nature*' and artists have a wonderful verity of subjects to create.

It is one of three competitions open to all artists which the Society conducts every year and with the wonderful sponsorship this annual Art Exhibition is bound to be one of the best hung in the region. With the great sponsorship offered this year from *The Village Building Co, Actew Corporation, Holcim* and *Monaro Conservation Society* artists have worthy prizes to compete for, with a 4th prize now included in each Section. The popularity of this competition has forced the committee to restrict entries to only three works per artists and only one painting to exceed a metre by a metre in size including the frame as our gallery has only limited space. There is no doubt such an Exhibition does attract quality works and our Society is fast becoming one that has the ability to organise these prestige events with the support of the valued sponsors organised by the Monaro Conservation Society.

The work the Monaro Conservation Society does is invaluable and they are committed to the wonderful environment of area which will be such an inspiration for '*The Molonglo People and Nature*'. The opening day of the exhibition Sunday 5th June 2011 has special significance as it is also World Environment Day.

THE MASTERS A MASTER STROKE

THE *After The Masters Competition/Exhibition* has proved to be the right reign pulled by the Society in an attempt for members to try and capture some of the great paintings.

There is no doubt the Exhibition is one of the best our members have come up with and the variety is stunning. It has something for every viewer making the judging by Adriane Boag and Rose Montebello particularly difficult. Adrienne said, "I would like to congratulate both the artists for their attempts to capture the Masters in all forms of mediums and subjects as well as the Society for having the vision to feature such an Exhibition in the Society Calendar of Events.

"It was a delight for me to open this Exhibition and be given some special time to talk about my work at the National Gallery of Australia". Best Painting In Show artist *Patti Tattersall* is pictured between judges *Adriane Boag* and *Rose Montebello* with the winning painting '*Mother And Child*'.

A wonderful painting to have won the show on the Mother's Day weekend!

NATIONAL GALLERY GIFT

GUEST judge Adriane Boag (centre) made available four beautiful Frederick McCubbin art books through the National Gallery of Australia and four members were lucky recipients.

Left to right: **Rose Montebello** (guest judge), **Dawn Wilson**, **Jenny Swart**, **Adriane Boag**, **Sue Roger** and **Sehnaz Kaniskan** (new member).

We are sure our lucky members will make good use of the McCubbin books.

QAS members and Friends have been invited to the NGA for a special tour to view many of the original paintings. Adriane is also in the education section and is well qualified to make sure our visit is made special.

At the QAS committee meeting on Saturday 28th May the committee will decide on what date would be suitable to have the NGA visit.

Thank you **Adriane** for giving the McCubbin books and the NGA visit is much appreciated.

AT THE MASTERS

Don Traynor and **Helen Cape** enjoy the success of Don's winning Acrylic painting 'The Clown' and one of the 'Peoples Choice' winners.

Long time member **Lindsay Tassie** welcomes **Bill Slattery** to the 'After The Masters' Exhibition. Lindsay sold at the Riverside Plaza.

A MEMBERS MASTERFUL WALL OF ART

WHAT a lovely exhibition of 'After The Masters' looks on the wall and it just shows what great talent QAS has in its members ranks.

The four wonderful 'After The Masters' works pictured are by, from the left **Jenny Swart**, **Patti Tattersall** (2) and **Belinda Ingram**.

The excitement around the Society at the moment will assure the 'After The Masters Competition/ Exhibition' will become a regular event on the QAS Calendar.

The committee is **looking for a major sponsor** for this outstanding Exhibition.

If anyone would like to sponsor or could spot a future sponsor please contact the QAS secretary.

Paul and **Sue Roger** enjoyed the social night out at the 'After the Masters' Exhibition. Two of the masters works 'The Blue Rigi' in the background along with another proved the most popular works painted.

Michael Swart appears to be tell **Jill** and **Phil Greinke's** Exhibition Opening guests **Sue** and **Clive Jackman** about how good the first 'After The Masters' Competition/Exhibition is. Jill told 'A Brush With The News' the Jackmans will be back.

THE HISTORY BEFORE OUR GALLERY

THIS lovely 'history' watercolour painting by **Sylvia Fitton** of the 'Old Elmsall In Queanbeyan' also shows the row of terraces on the banks of the Queanbeyan River.

It is clear one of these terraces is now the QAS Gallery and this painting is now hanging in the Society Gallery.

The original hotel licence was granted in 1838 to **William Hunt** and **Joseph Kaye**. In 1840 they built a new 'Elmsall Inn'.

The new cement bridge now over the Queanbeyan River has made a lot of changes to this site and with the new building (page 6) to open in three weeks the area will change again.

The road off the bridge in this painting goes to the right but today the road goes straight ahead towards Bungendore.

ROTARY ART SHOW ROUNDS UP ARTISTS

THIS year's Rotary/Art Society Art Show to be held a week over Floriade in City Walk Canberra has attracted four QAS members as guest artists. **Chan Dissanyake, Kylie Ann Heslop, Mark Redzic and Margaret Carr** should add to the expected success of the Art Show. All four will exhibit a huge panel of their different styles of work. With their quality of art on display the funds raised for the Rotary Queanbeyan West's Charity Of Choice should be great. They will each

donate a painting for the four prizes in the Open Art Show raffle. **Many thanks to our four members for this charitable gesture.**

NEW OPEN RULES

BECAUSE of great support to the QAS Open Art Competitions held in the Gallery there are new restrictions on the number of entries and size. This year's Queanbeyan Leagues Club Exhibition, even though being members only, had difficulty finding hanging space. Because of the anticipated interest in the Molonglo Competition/Exhibition new conditions are introduced due to the limited room in our Gallery.

COMPUTERED EXHIBITION INTAKE

OUR two new 'Executive Workers' have hit the ground running when they took charge of their first Exhibition entry day together. Secretary **Jenny Swart** and Treasurer **Pam Padovan** are pictured entering **Janet Bedloe's** 'Master Piece' straight onto their computers. While there were a couple of power failures we can be assured computers are here to stay for future Exhibition intakes.

Well done 'Girls'.

MEMBER HUNG IN PARLIAMENT

QAS Life Member **Julie Ballis** exhibited this painting in the Portrait Artists Australia 'Face of Australia' Exhibition. This work hung in the NSW Parliament House for the month of April. Lexine Solomon is of Torres Strait and Pacific Island heritage and she has sung professionally in Europe, the USA and around Australia. **Well done Julie!**

PRESIDENT'S PALETTE

THE new venture for QAS in staging the *After The Masters* Competition/Exhibition has resulted in one of the most exciting Art Exhibitions ever hung in our Gallery. The committee stuck its neck out not knowing if it would be embraced by our members but I believe *After The Masters* is here to stay as one of the Society's top events. The most common comment members have made about doing works for this Exhibition was *'It has been fun doing a painting of the Masters'* and believed it has helped their painting skills. Members are asked to look for a sponsor for the 2012 *After The Masters*. Once again the Molonglo Catchment Group has supported QAS in featuring this year's huge Village Building Co the major sponsored Open Art Competition/Exhibition with sponsorship support from ACTEW and Monaro Conservation Group. The committee has decided to restrict entries to three works per artist and one @ a metre by a metre includes frame. My how things have changed! It is not that long ago that QAS Exhibitions struggled to cover the walls of the Gallery. *What a winner the After The Masters was!*

THE CAFÉ de ARTS GOES UP

ONE of the most exciting developments to start on the banks of the Queanbeyan River since the QAS Gallery expansion is the new café being erected next to our Art Gallery. The new development size has surprised some but Council's vision is for this beautiful area to become one of Queanbeyan's more visited sites. Our picture shows perhaps another 'Bondi Beach' facility a possibility.
